

WHY DOES AN APP MAKE SENSE?

PROPOSAL

DIGITAL ONE™

we make IT easy

WHY DOES AN APP MAKE SENSE?

- ✓ You will benefit from being able to reach your customers 24/7
- ✓ An app will enable you to cultivate customer loyalty
- ✓ A mobile app for your business will greatly contribute your brand awareness
- ✓ It will improve customer engagement by real time interaction

OBJECTIVE

- ✓ Increase brand awareness and reinforce brand image to strength your current market position
- ✓ Engage new customer and re-engage existing customer base
- ✓ Encourage interaction with your customers
- ✓ Increase sales conversion and revenue by directing customers to your door

SOLUTION

- ✓ We will design & develop a personalized cross-platform mobile app for your business

PROCESS

- ✓ We will audit your business to gain an understanding of your brands identity
- ✓ Produce initial bespoke design package and submit to you for sign-off
- ✓ Our development team then completes all back-end processes for agreement app functionality
- ✓ Launch app on Google Play store and Apple App Store ready for download

To Order Your App
